

Payment Policy

PAYMENT IS EXPECTED AS SERVICES ARE RENDERED

As of January 2012, our office is no longer doing in house payment arrangements. Payment for services is expected as services are rendered UNLESS prior arrangements have been made. This will not effect any prior history of financial arrangements but will be applied to any new treatment.

If you are interested in an arrangement that last longer than what our office offers, please ask about outside financial distributors.

**If this office accepts insurance, I understand that I am responsible for payment of services rendered and also responsible for paying any co payment, deductibles and any estimated percentages that are not covered by my insurance.
